02 · PROLOGUE · THE OATH

Together, no night lasts forever

I There was a time when starlight alone could warm the night.

II Then the Crown of the Red Moon rose, and the lights went out, one by one.

III Until two of them stood back to back, and their promise became the Oath.

IV Tonight, the Red Moon rises again. This time, it's you and me.

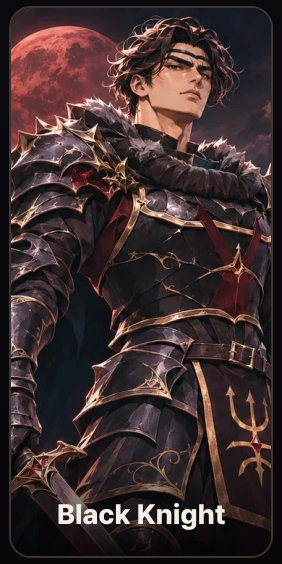

Why "You & Me"?

Everything is built to be played together: party hunting, pledges and sieges, 8-player raids, 5 vs 5 battlefields and chat that translates itself across 11 languages. Invite a friend, reach Lv.10 together, and you both get a mount you can't get anywhere else.

Eight classes, each with its own spectacle

Character concept illustrations. The in-game faces and 64 hairstyles are now made from this artwork.

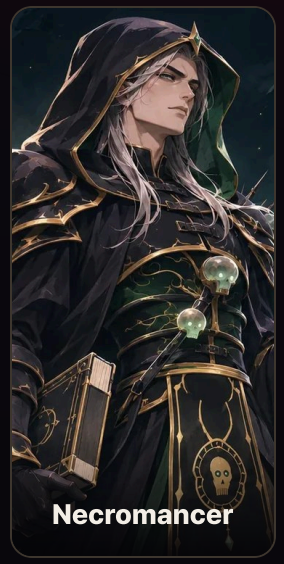

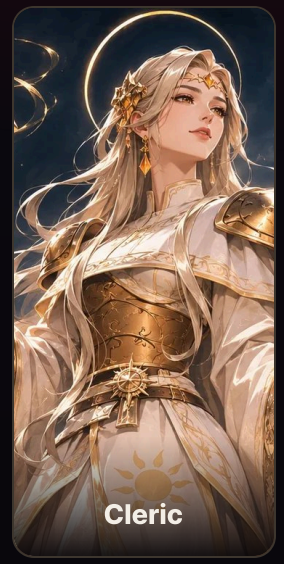

Black Knight
Crimson greatswords plunge from the sky

Berserker
Fury that splits the earth in cracks and embers

Shadow Assassin
An eclipse heptagram and orbiting crescent moons

Blood Archer
Arrows of light pouring from the sky

Blood Mage
A red moon descends on the battlefield

Necromancer
A thorned hexagram and rising wraith light

Cleric
A sun sigil and pillars of falling light

Bard
A stage ringed with staves and Blood Moon notes

Moments your audience will react to

The +15 enchant FORGE

Silence, lightning, golden cracks: six tiers of effects. Gear never breaks up to +12, so the risk starts after that.

8-player raids RAID

Newly sculpted 3D bosses: 10 raid lords, 10 field bosses, and bosses that appear in the hunting grounds on schedule. Bring your viewers along.

Duels & battlefields PVP

Challenge viewers to 1 vs 1 duels that stop at 10% HP, or fight for the Kraken in 5 vs 5 battlefields.

Moonlit Voyage SEA

First-person cannon battles against sea monsters, with 7 ships to sail and upgrade.

Home & housewarming LIFE

A real home with nine rooms and a yard: place furniture, switch themes, and invite viewers to a housewarming with a guestbook. Cozy scenes with a baby, 4 dog breeds and 4 cats.

Luna Venice STYLE

52 costumes, 15 kinds of wings, 23 spirits in new 3D, and 24 mounts, from dinosaurs to office chairs.

05 · EASY TO JOIN

One link, and your viewers are in

No install

Not sure which fits? Tell us what you prefer, and we'll shape the offer around your channel.

From first email to publishing

1

Day 0–3

Talk

Share your channel, audience and rates. We suggest a format and terms.

2

Day 3–5

Agree

A short written agreement: deliverables, dates, fee or rewards, disclosure.

3

Within 2 days

Kickoff

Your creator code, giveaway items, the asset pack and a one-page brief.

4

1–2 weeks

Create & publish

Play and create in your own style. Optional fact check of the draft within 48 hours.

5

7 days after

Wrap-up

Results shared both ways (views, reach, code redemptions); payment as agreed.

A typical campaign takes 2–3 weeks from the first email to the first post.

We work around your schedule. Longer partnerships (a series, monthly streams or an update launch) are welcome too.

A few simple guidelines

Clear disclosure

Please mark sponsored content with the platform's paid partnership label or #ad / #sponsored, as your local rules require (for example the FTC in the US, the KFTC in Korea).

Audience & rating

12 Rated 12+ in Korea by GRAC (violence). Please keep the content suitable for that audience.

Probability items

The game includes randomized draws (costumes, mounts). Every chance is public at nrnrlv.com/odds, so please don't promise drop rates or results.

Your own voice

Honest impressions are welcome. We only check facts such as names, features and dates, never your opinion.

Assets & credit

Use our logos, art and footage for the campaign. With your OK, we may share your published content on our official channels, credited to you.

Fast-moving game

We update the game several times a week. We tell you about changes that touch your content before you publish.

The team behind the game

You & Me: Level Up is developed, published and run by JENGA, an independent game company in South Korea. We build the game, run the servers and look after the community ourselves, so you talk directly to the people who make it.
